psychosocial support and other interventions can be made to understand resilience and vulnerability to school desertion.

This book will be of interest to readers from broad professional fields, non-specialist readers, and those

Online Library

Bullying In

School Papers

involved in
education policy.

Bullying has long been tolerated as a rite of passage among children and adolescents. There is an implication that individuals who are bullied must have "asked for" this type of treatment,

Online Library Bullying In School Papers

or deserved it. Sometimes, even the child who is bullied begins to internalize this idea. For many years, there has been a general acceptance and collective shrug when it comes to a child or adolescent with greater social capital or power

Online Library

Bullying In

pushing around a child perceived as subordinate. But bullying is not developmentally appropriate; it should not be considered a normal part of the typical social grouping that occurs throughout a child's life.

Although bullying

Online Library
