calm style, this novel explores the arrival of a collective intelligence on earth that threatens to eliminate mankind. The quiet, eerie changes that befall Midwich manifest in strange ways: On the surface, everything seems normal, but scratch a little deeper and there is a clear sense of dread. After the night of September 26, every woman of childbearing age is pregnant, all to give birth at the same time, to children who are all alike—their eyes mesmerizing, void of emotion. These children are innately possessed with unimaginable mental powers and a formidable intelligence. It is these children who develop into an unstoppable force, capable of anything and far out-reaching other humans in cunning. Whatever dwells in Midwich is sowing the seeds for a master race of ruthless and inhumane creatures
