Analyzes and refutes twenty of the most predominant theories involving the United States government's role in perpetrating the September 11, 2001 terrorist attacks.

Final report of the National Commission on Terrorist Attacks upon the United States.

Intermediate Accounting: IFRS Edition provides the tools global accounting students need to understand IFRS and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting: IFRS Edition includes proven pedagogical tools, designed to help students learn more effectively and to answer the changing needs of this course.

Solid financial information and the ability to use that information successfully in business today differentiate the truly exceptional from the ordinary. Now you can guide your students in developing the understanding and skills to make them true winners in business with the proven, balanced blend of procedure and concepts in the latest edition of Albrecht/Stice/Stice's FINANCIAL ACCOUNTING. Organized around business activities, FINANCIAL ACCOUNTING, 10th Edition presents the procedural detail necessary for students to learn the mechanics of preparing accounting information, with an emphasis on how to analyze and use what they are learning to make informed decisions. This edition's lively writing style, packed with a wealth of examples from leading companies, helps students discover, first-hand, the effects and importance of financial accounting information. Designed to address a diversity of learning styles and career needs, the book offers expanded coverage as well as basic material in each chapter--giving you the flexibility to explore in-depth any topics you choose. Streamlined chapters build a strong, practical context around the procedures of accounting with powerful student-oriented learning features and a new, innovative online ThomsonNOW teaching and learning system that helps prepare your students for accounting success, no matter what their career choices or future plans.

This work takes a real-world, single focus company approach in every chapter. The decision-making focus shows the relevance of financial accounting regardless of whether the student has chosen to major in accounting.
