for. Poetry's main cultural value is its offensiveness; it should be defended as offensive. Adams specifies four poetic offenses - gesture, drama, fiction, and trope - and devotes a chapter to each, ranging across the landscape of traditional literary criticism and exploring the various attitudes toward poetry, including both attacks and

role." Poetry achieves its cultural value by opposing the binary oppositions - form and content, fact and fiction, reason and emotion - that structure and polarize most understandings of literature and of life. Adams takes a position antithetical to the extremes of both abstract formalism and the politicization of literary content. He
