It's true that some people spend years studying German before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of German, #LanguageHacking shows you how to learn and speak German through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in German from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with

Online Library Inlingua Deutsch B1

other learners - getting and giving feedback and extending your learning beyond the pages of the book .
You don't need to go abroad to learn a language any more.

German Short Stories for Beginners is written especially for students from beginner to intermediate level (A1-B1 on the Common European Framework of Reference). The eight captivating stories are designed to give you a sense of achievement and a feeling of progress when reading. You'll finally be able to enjoy reading in German, grow your vocabulary in a natural way, and improve your comprehension at the same time. Based on extensive research into how people most enjoy and benefit from reading in a new language, this book eliminates all the frustrations you have experienced when trying to read in German: Dull topics that are no fun to read Books so long you never reach the end Endless chapters that make you want to give up Impenetrable grammar that frustrates you at every turn Complex vocabulary that leaves you with your head buried in the dictionary Instead, you can just concentrate on what you came for in the first place - enjoying reading and having fun! If you're learning German and enjoy reading, this is the book you need to rekindle your passion for the language and take your German to the next level!

NATIONAL BESTSELLER □ For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. □ A brilliant and thoroughly modern guide to learning new languages. □ Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Gitars* Zero At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in

Online Library Inlingua Deutsch B1

school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he’s discovered. Starting with pronunciation, you’ll learn how to rewire your ears and turn foreign sounds into familiar sounds. You’ll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you’ll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you’ll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

100 dynamic and humorous lessons to learn German. With this method, only five months, you will be able to express yourself and talk in German. The recordings, made as always by professionals at a gradual pace, will help you feel perfectly comfortable with the language of Goethe

Learn to speak and write German like a pro! Need a quick introduction to the German language? You'll be speaking--and

Online Library Inlingua Deutsch B1

understanding--German in no time!

Filled with dialogues, grammar and idiom studies, and practical exercises, this is probably the most delightful, useful, and comprehensive elementary book available for learning spoken and written German. In addition, the book features 28 sketches of specific scenes with pertinent items numbered and identified in both German and English. Includes 330 photographs and illustrations.

Many language books are boring—this one is not. Written by a native English speaker who learned Spanish the hard way—by trying to talk to Spanish-speaking people—it offers English speakers with a basic knowledge of Spanish hundreds of tips for using the language more fluently and colloquially, with fewer obvious "gringo" errors. Writing with humor, common sense, and a minimum of jargon, Joseph Keenan covers everything from pronunciation, verb usage, and common grammatical mistakes to the subtleties of addressing other people, "trickster" words that look alike in both languages, inadvertent obscenities, and intentional swearing. He guides readers through the set phrases and idiomatic expressions that pepper the native speaker's conversation and provides a valuable introduction to the most widely used Spanish slang. With this book, both students in school and adult learners who never want to see another classroom can rapidly improve their speaking ability. *Breaking Out of Beginner's Spanish* will be an essential aid in passing the supreme language test—communicating fluently with native speakers.

Lick your language problems with DeMYSTiFieD! Want to get the most out of German but don't know where to start? No problem! *German DeMYSTiFieD, Second Edition* takes the angst out of learning the
