For Genevieve Terrence it seemed like a dream come true: a weekend alone on Maui with her sexy boss, Nick Brogan. But little did she know that Nick had dreams of his own--a nefarious scheme that nearly got her killed on the flight over the Pacific. Lucky for her, brilliant computer programmer Jack Farley was on board and quick-witted enough to crash-land the plane. Now Jack is her sole companion on a remote desert island with nothing but guava trees and sharks for company. Who'd expect the shy genius--and the least alpha male she knows--to turn out to be the uninhibited stud of her wildest dreams? Saving Genevieve's life has made Jack a hero in the eyes of the woman he has secretly lusted after for months. Now they're alone together in a tropical eden where they're free to give in to their every sensual whim. But when some nasty unfinished business puts them at risk again, Gen will learn there's nothing quite as dangerous as a fully aroused ex-nerd who'll move heaven and earth to protect the woman he loves... From the Paperback edition.

Seeking refuge on a cruise aimed at single geeks after becoming the sole eyewitness to a mob killing, Hollywood makeup artist Gillian McCormick disguises herself in order to fit in, accompanied by P.I. Lex Manchester who is assigned to protect her--whether it is from a hitman on a mission, a cross-dressing sociopath, or hundreds of lusty nerds. Original.

Lainie's dilemma is solved when she ropes Harry Ambrewster, the casino's shy-but very smart and cute-accountant, into the task. He's got the low-down... Inheriting his chemist father's high I.Q. and sexy good looks, Harry has always been intrigued by Lainie. He isn't thrilled at the prospect of babysitting, but he'll do anything to get near the gal who fuels his craziest fantasies. Then Lainie's dangerous ex comes knocking... Their option? Run faster than a pair of net stockings... In disguise and on the lam, Lainie's masquerading as the perfect wife. Harry's doubling as the he-man protector. But with a set-up this hot, who's fooling who? When the lights go down, and the masks come off, a nerd like Harry could be just the right ignition to set a woman like Lainie on fire...

Tired of being called the pretty one in the family while her sister is labeled a genius, fashion model Eve Dupree enlists the assistance of Charlie Shepherd, the nerdy engineer living next door, to help her get her new invention off the ground, but their growing attraction to each other is threatened by a would-be saboteur. Original.

Aspiring psychologist Amanda Rykowsky is delighted to receive anonymous love notes, until the messages begin to take a sinister turn, and enlists stockbroker William Sloan to masquerade as her lover to uncover the culprit.

Hot movie star Zoe Tarleton gets piles of money but no respect because she always plays a beautiful bombshell. When she gets the chance to play a geeky chemist working on a formula to combine weight loss, sexual potency, and anti-aging in one powerful pill, she is determined that this role will open up her career. Zoe may be too hot to understand her character, but she has a plan: her ultimate nerd lawyer Flynn Granger can teach her the ropes. Flynn agrees to help Zoe out, but he's strictly business about it--his girlfriend is a Harvard professor and he plans to propose the next weekend. But when he sees Zoe in an outfit she considers nerdy, he realizes he's taken on an impossible task--she's just too cool to change. As they rehearse scenes in a secluded California cabin, they'll have to embrace their alter egos and fight the growing attraction between them. And they'll have to dodge an increasingly unstable stalker who wants to end their relationship...and Zoe's life. Gone WIth the Nerd is Vicki Lewis Thompson at her fun, sexy best.

Hugh Philemon Ancaster, seventh Duke of Ripley, will never win prizes for virtue. But even he draws the line at running off with his best friend's bride. All he's trying to do is recapture the slightly inebriated Lady Olympia Hightower and return her to her intended bridegroom. For reasons that elude her, bookish, bespectacled Olympia is supposed to marry a gorgeous rake of a duke. The ton is flabbergasted. Her family's ecstatic. And Olympia? She's climbing out of a window, bent on a getaway. But tall, dark, and exasperating Ripley is hot on her trail, determined to bring her back to his friend. For once, the world-famous hellion is trying to do the honorable thing. So why does Olympia have to make it so deliciously difficult for him . . . ?
