The Art of Kiki's Delivery Service is a charming art book companion for the movie. Even though Miyazaki's the director, screenwriter and producer for this film, his art is surprisingly missing in this book. This time round, the main contributing artists are Shinji Otsuka, Yoshifumi Kondo and Katsuya Kondo.

A 13-year old girl sets off on a journey to become a witch. In the process, she learns how to be a woman. Based on the movie of the same name, this prestige format, lavishly illustrated hard-bound book gives fans a rare glimpse into the creative process of Academy Award-winning director Hayo Miyazaki.

When thirteen-year-old Kiki decides that it is time to learn how to become a real witch, she hops on her broomstick with her black cat Jiji and flies to an oceanside city where she vows to properly study.

*Originally published in Japan and in paperback under the title *Maijo no Takkyubin* by Fukuinkan Shoten Publishers, Inc., Tokyo in 1985*--Copyright page.

While delivering packages on her broomstick, Kiki, a charming young witch, and Jiji, her cynical cat, learn important lessons in life, friendship, and trust that help Kiki to realize her full potential, in a first English translation of the Japanese book that was made into a full-length animated feature by Disney. Simultaneous.

When thirteen-year-old Kiki decides that it is time to learn how to become a real witch, she hops on her broomstick with her black cat Jiji and flies to an oceanside city where she vows to properly study.

The thought-provoking, aesthetically pleasing animated films of Hayao Miyazaki attract audiences well beyond the director's native Japan. *Princess Mononoke* and *Spirited Away* were critically acclaimed upon U.S. release, and the earlier *My Neighbor Totoro* and *Kiki's Delivery Service* have found popularity with Americans on DVD. This critical study of Miyazaki's work begins with an analysis of the visual conventions of manga, Japanese comic books, and anime; an overview of Japanese animated films; and a consideration of the techniques deployed by both traditional cel and computer animation. This section also details Miyazaki's early forays into comic books and animation, and his output prior to his founding of Studio Ghibli. Part Two concentrates on the Studio Ghibli era, outlining the company's development and analyzing the director's productions between 1984 and 2004, including *Castle in the Sky*, *My Neighbor Totoro* and his newest film, *Howl's Moving Castle*. The second section also discusses other productions involving Studio Ghibli, including *Grave of the Fireflies* and *The Cat Returns*. Appendices supply additional information about Studio Ghibli's merchandise production, Miyazaki's global fan base, and the output of other Ghibli directors.

Formed by a small group of university students in the early 1980s, Studio Gainax is now one of the most adventurous and widely esteemed anime companies on the scene. And it is fascinating for its unique approach to animation. Formal experimentation, genre-straddling, self-reflexivity, unpredictable plot twists, a gourmet palate for stylishness, proverbially controversial endings, and a singularly iconoclastic worldview are some of the hallmarks. This documentation of the studio's achievements provides a critical overview of both the company and its films: in-depth examinations of particular titles that best represent the company's overall work, including television series such as *Nadia: The Secret of Blue Water* and *Neon Genesis Evangelion*, and feature films such as *Royal Space Force: The Wings of Honneamise* and *Gunbuster vs. Diebuster*. Each chapter highlights the contribution made by a specific production to the company's progress.
