The penis is the male sex organ, reaching its full size during puberty. In addition to its sexual function, the penis acts as a conduit for urine to leave the body. The penis is made of several parts:

Il est difficile d'imaginer plus efficace que Le grand livre des pénis pour attirer l'attention et stimuler les ventes - à part les mêmes images d'appareils génitaux impressionnants en trois dimensions. En trois dimensions, chaque double page est comme un dépliant en relief ! Cette édition spéciale de 220 pages et de 30 cm sur 30 comprend 96 images tirées du livre original, ainsi que 8 inédites, converties en 3-D par John Schnitzer et The Brain Factory, les véritables génies responsables notamment des effets spéciaux des films de Tim Burton. Le coffret comprend une révision de l'introduction et de la mise en page, et est proposé avec deux paires de lunettes de vision en 3-D, aux verres bleus et rouges, pour vous permettre d'admirer le livre à deux, ou seul une fois usée la première paire. Contrairement aux images figurant dans d'autres ouvrages en 3-D publiés jusqu'ici, celles du Grand livre des pénis en 3-D ne sont pas déformées lorsqu'on les observe sans les lunettes. La technique utilisée par The Brain Factory est si perfectionnée qu'il est difficile ne serait-ce que de distinguer les teintes bleue et rouge sur les clichés en noir et blanc. Pourtant une fois les lunettes chaussées, les parties intéressantes surgissent de la page non pas en une succession de couches plates, comme dans les photos en 3 dimensions classiques, mais pour dessiner des contours pleins et ronds. Il ne fait aucun doute que ce livre est une parfaite idée de cadeau. Depuis l'apparition de la 3-D, lances, manches, fusils, fusées ont tous été pointés sur le public pour montrer le réalisme de l'effet obtenu. Les effets spéciaux du Grand livre des pénis en 3-D sont tout aussi convaincants.

Meet Little Penis, the cute dinky winky you bring to life when you put your finger in the puppet in this delightfully crass and hilarious parody board book for adults. This board book parodies children's finger puppet books with its bold colors and simple illustrations, but this book is not for children! Instead, put your finger in the hole in the back of the book, and follow the adventures of Little Penis as he goes swimming (poor shrinking Penis!); gets out of bed early, so big and tall; gets a gentle kiss and hug (along with a good hard tug); head to a bar, gets drunk, and hooks up; and more getting bigger and bigger with the turn of each page. Sometimes he's up and sometimes he's down, but there's a happy ending as he finds his snug, warm place called home!

Back in 1974, the sexual revolution was in full swing and the adult entertainment business was on the verge of becoming Big Business. Deep Throat had created America's first porn star in 1972, but by 1974 Linda Lovelace was already retired and the industry was seeking the next big thing. Vanessa del Rio should have been that thing, except in 1974 there were no ethnic sex stars. Undeterred, Vanessa took any role they'd give her, because, amazingly, she was there for the sex more than the money. Fans, awed by her ferocious onscreen sexuality, made her a top box office draw and America's first Latina star. Retired since 1986, Vanessa del Rio remains a sexual icon who cuts across all ethnic boundaries. What her fans don't know is that her real life was, and is, as wild as anything she did on film. In this sumptuous over-sized volume, TASCHEN celebrates a remarkably candid, confident and exuberantly sexual woman. Presented through Vanessa's own archive, in her own words, is a life at once shocking, titillating, amusing, and inspiring. And because paper and ink can't do justice to a personality this big, an original 140 minute DVD documentary is included. If you aren't already convinced, this book will end all doubt that there could ever be another woman like Vanessa del Rio. Vanessa del Rio is limited to a total of 1,500 numbered copies, each signed by Vanessa ? 1,300 copies in the Collector's Edition ? 200 copies in the Art Edition, with a signed watercolor lithograph of Vanessa by acclaimed artist Robert Crumb \* Bonus for one lucky reader: one of the 1,500 copies contains a Golden Ticket good for an all-expenses paid evening with Vanessa, to be documented by a world famous photographer!! \*?She is a person I dreamed about having sex with. She should go in the hall of fame for best sex scenes in the '80s.?-Snoop Dogg

Over 150 of the choicest photos from the original volume into a compact and adorable package. From Betty Grable to Bettie Page, the greatest legs of the 20th Century can be found within, shot by Irving Klaw, Bunny Yeager, and the incomparable Elmer Batters, father of leg art. There are silk and nylon stockings, high heels in abundance, curvy...

Welcome to The Little Book of Pussy, a petite little kitten that puts those up-close-and-personal pictures in proper perspective. Through 100 years of photos, we trace the exhibitionistic pleasure with which models present their feminine pulchritude.

Everybody has that one friend that loves drawing dicks. Now you can get them the perfect gift!The Big Book of Dicks is a 200 page Sketchbook so that every veiny, throbbing, limp, small or big drawing of the male appendage, can be kept in one handy place!

Ah, the trusty penis. The cock, knob, widgie, pink python, groin bollard - call it what you will, this is one part of the male anatomy that never ceases to provide endless fascination and frequently mirth. Half the population have one and the other half, so Freud would have us believe, would like to. And yet still our flaccid friend is so often misunderstood. The Penis Book seeks to redress the balance, exposing all (quite literally) there is to know about the honourable member. Throbbing with facts, figures, photos and illustrations, the book leaves no foreskin unturned in its quest to bring you the low-down on its subject. Told with wit, vim and lashings of wicked humour, even the most prudish won't be able to resist raising a smile (and perhaps something else). The Penis Book is a celebration of the male member in all its purple-helmeted glory. So whether you're male or female, straight or gay, you'll find something in here to titilate and stimulate...

This devoted compendium to the female derriere packs a whole lot of big booty into one petite treat of a book. Featuring more than 150 images of the biggest and best rears from The Big Book of Butt, including 30 new mouth-watering images, it's one irresistible ode to voluptuous curves from the 1950s to today.

This book contains no nudity. No profanity. No sexual material of any kind. And yet it just might be the most obscene thing we've ever published! Penis Pokey is an illustrated board book with a large die-cut hole in its center. Every spread features a dazzling full-color illustration with one thing missing a banana, perhaps, or a fire hose, or a sea serpent. Male readers can complete the illustrations using the talents God has given them. Are we serious? Yes! Is this funny? Absolutely! Will this be a terrific hit with college students, bachelorette parties, and exhibitionists of all ages? Of course! Penis Pokey is far and away the strangest and funniest novelty book we've seen in a long, long time.

With coffee-table book number six, Giovanni proves once more that no other photo artist can hold a candle to him the way he shows the human penis as an artwork in its own right is amazing and unique. His pictures create a whole new universe, landscapes of the male body in which you can easily lose yourself. "Absolute Penis" is an extensive collection of all new and unreleased material by an inimitable artist.
