The Book of the City of Ladies - Wikipedia  
What is The Book of the City of Ladies about? The Book of the City of Ladies is framed as a 'dream-vision'. In it, the narrator describes how she was sitting in her study reading The Lamentations of Matheolus, a 13th-century tirade against women and marriage. She is saddened by this depiction of women and falls into a trance.

The Book of the City of Ladies - The British Library  
Christine de Pizan (c.1364-1430) was France's first professional woman of letters. Her pioneering Book of the City of Ladies begins when, feeling frustrated and miserable after reading a male writer's tirade against women, Christine has a dreamlike vision where three virtues - Reason, Rectitude and Justice - appear to correct this view.

The Book of the City of Ladies (Penguin Classics): Amazon ...  
The Book of the City of Ladies, prose work by Christine de Pizan, published in 1405 as Le Livre de la cité des dames. Written in praise of women and as a defense of their capabilities and virtues, the work is a significant feminist argument against the misogynist male writing of the day. It was based in part on Giovanni Boccaccio 's De claris mulieribus (1360-74; Concerning Famous Women ).

The novel opens with Christine de Pizan finding a book written by a man named Mathéolus, talking about why all women were bad.

The Book of the City of Ladies Summary | GradeSaver  
The Book of the City of Ladies. In her study, taking a break from her work, Christine de Pizan picks up a slim volume someone has given her. Shocked by the author's harsh and extreme portrayal of the immoral and inconstant nature of women, Christine is saddened by this state of affairs. A flash of light startles her, and three women, allegorical figures representing Reason, Rectitude, and Justice, appear to her.

The Book of the City of Ladies: Plot Overview | SparkNotes  
The Book of the City of Ladies was first published in 1410 by Christine de Pizan, a widow who was rare among women of that day in that she made her living exclusively from her literary endeavours.

What I'm reading: The Book of the City of Ladies | Books ...  
In The Book of the City of Ladies, three magical women appear to Christine de Pizan (she's in the book as herself, in a sort of Louis C.K. in Louie way) and instruct her to build a great city that will be populated entirely by the best women from history. It's only while building the city that Christine makes conversation with the three magical women and learns about all of the amazing things women have done throughout history.

The Book of the City of Ladies or Le Livre de la Cité des Dames (published in 1405), is perhaps Christine de Pizan 's most famous literary work. Pizan originally wrote Le Livre de la Cité des Dames in Middle French but it was later translated into English (1999). The book serves as her formal response to Jean de Meun 's popular Roman de la Rose.

The Book of the City of Ladies - Simple English Wikipedia ...  
The Book of the City of Ladies Christine de Pizan's novel, " The Book of the City of Ladies " serves as a defense against the general perceptions of women, which the society considers depraved.

'Philosophers, poets and orators too numerous to mention all speak with one voice and are unanimous in their view that female nature is wholly given up to vice.' It was this misogynist consensus that Christine de Pizan (c.1364-1430), France's first professional woman of letters, confronted head-on in the City of Ladies. Here, with the help of Reason, Rectitude and Justice, Christine constructs an allegorical city in which to defend womankind, using examples of female virtue and achievement both from the past and her own day as the stones with which to build the city's walls and towers. A key text in the history of feminism, this book provides powerful, positive images of women and also offers a fascinating insight into the debates and controversies about the position of women in medieval culture.

In dialogues with three celestial ladies, Reason, Rectitude, and Justice, Christine de Pizan (1365-ca. 1429) builds an allegorical fortified city for women using examples of the important contributions women have made to Western Civilization and arguments that prove their intellectual and moral equality to men. Earl Jeffrey Richards' acclaimed translation is used nationwide in the most eminent colleges and universities in America, from Columbia to Stanford.

Christine de Pizan (c.1364-1430) was France's first professional woman of letters. Her pioneering Book of the City of Ladies begins when, feeling frustrated and miserable after reading a male writer's tirade against women, Christine has a dreamlike vision where three virtues - Reason, Rectitude and Justice - appear to correct this view. They instruct her to build an allegorical city in which womankind can be defended against slander, its walls and towers constructed from examples of female achievement both from her own day and the past: ranging from warriors, inventors and scholars to prophetesses, artists and saints. Christine de Pizan's spirited defence of her sex was unique for its direct confrontation of the misogyny of her day, and offers a telling insight into the position of women in medieval culture. THE CITY OF LADIES provides positive images of women, ranging from warriors and inventors, scholars to prophetesses, and artists to saints. The book also offers a fascinating insight into the debates and controversies about the position of women in medieval culture.

Written by Europe's first professional woman writer, The Treasure of the City of Ladies offers advice and guidance to women of all ages and from all levels of medieval society, from royal courtiers to prostitutes. It paints an intricate picture of daily life in the courts and streets of fifteenth-century France and gives a fascinating glimpse into the practical considerations of running a household, dressing appropriately and maintaining a reputation in all circumstances. Christine de Pizan's book provides a valuable counterbalance to male accounts of life in the middle ages and demonstrates, often with dry humour, how a woman's position in society could be made less precarious by following the correct etiquette.

"Fresh, accurate, and engaging, this new translation of the Book of the City of Ladies helps us to understand what made Christine de Pizan so popular with her fifteenth-century contemporaries. The editors provide a rich historical and philosophical context that will be very useful to both students and scholars of the history of political ideas. The translations themselves gracefully navigate the fine line between accuracy and readability with considerable charm. Rounding out this portrait of the turmoil of fifteenth-century France, the volume is enriched by excerpts from other works, Christine's Vision, the Book of the Body Politic, and the Lamentation on France's Ills." -Kate Forhan, Emeritus, Siena College CONTENTS: Introduction A Note on Translating The Book of the City of Ladies Christine de Pizan: Her works, Her Times Suggestions for Further Reading From Christine's Vision (1405) The Book of the City of Ladies (1404-1405) From The Book of the Body Politic (1404-1407) From Lamentation on France's Ills (1410) Index

Like a particularly good detective story, this richly textured book follows tantalizing clues in its hunt for a group of missing artistic masterpieces. Susan Bell recounts both her long search for a series of sixteenth-century tapestries that celebrated women and her efforts to understand their meaning for Queen Elizabeth I of England and the other powerful women who owned them. Opening a new window on the lives of noblewomen in the Renaissance, the brilliantly colored tapestries that were the ultimate artistic luxury of the day, and the popular and influential fourteenth-century writer Christine de Pizan, Bell pursues a compelling tale that moves from centuries past to today. The tapestries around which this story revolves are linked to Christine de Pizan's Book of the City of Ladies (1405), originally published six hundred years ago in 1405. The book is a tribute to women that honors two hundred female warriors, scientists, queens, philosophers, and builders of cities. Though twenty-five manuscripts of the City of Ladies still exist, references to tapestries based on the book are elusive. Bell takes us along as she tracks down records of six sets of tapestries whose owners included Elizabeth I of England; Margaret of Austria; and Anne of Brittany, Queen of France. Bell examines the intriguing details of these women's lives-their arranged marriages, their power, their affairs of state-asking what interest they had in owning these particular tapestries. Could the tapestries have represented their thinking? As she reveals the historical, linguistic, and cultural aspects of this unique story, Bell also gives a fascinating account of medieval and early-Renaissance tapestry production and of Christine de Pizan's remarkable life and legacy.

A fascinating insight into the debates and controversies about the position of women in medieval culture, written by France's first professional woman of letters. The pioneering Book of the City of Ladies begins when, feeling frustrated and miserable after reading a male writer's tirade against women, Christine de Pizan has a dreamlike vision where three virtues-Reason, Rectitude, and Justice-appear to correct this view. They instruct her to build an allegorical city in which womankind can be defended against slander, its walls and towers constructed from examples of female achievement both from her own day and the past: ranging from warriors, inventors, and scholars to prophetesses, artists, and saints. Christine de Pizan's spirited defense of her sex was unique for its direct confrontation of the misogyny of her day and offers a telling insight into the position of women in medieval culture.

Also known as Au Bonheur des Dames; The Ladies' Delight or The Ladies' Paradise; is the eleventh novel in the Rougon-Macquart series by Émile Zola. The novel is set in the world of the department store, an innovative development in mid-nineteenth century retail sales. Zola models his store after Le Bon Marché, which consolidated under one roof many of the goods hitherto sold in separate shops. In Au Bonheur des Dames, the store is a symbol of capitalism, the modern city and the bourgeois family. It is emblematic of changes in consumer culture, sexual attitudes and class relations taking place at the end of the century. The novel tells the story of Denise Baudu, a 20-year-old woman from Valognes who comes to Paris with her brothers and begins working at the department store Au Bonheur des Dames as a saleswoman. Zola describes the inner workings of the store from the employees' perspective, including the 13-hour workdays, the substandard food and the bare lodgings (for the female staff). Many of the conflicts in the novel spring from the struggles for advancement and the malicious infighting and gossip among the staff. Au Bonheur des Dames is a sequel to "Pot-Bouille". Like its predecessor, Au Bonheur des Dames focuses on Octave Mouret (b. 1840), who at the end of the previous novel married Caroline Hédoûin, the owner of a small silk shop. Now a widower, Octave has expanded the business into an international retail powerhouse occupying (at the beginning of the book) most of an entire city block. Au Bonheur des Dames has been made into a number of films, television series and plays. Émile Zola (1840 - 1902), French novelist, critic, and political activist who was the most prominent French novelist of the late 19th century. He was noted for his theories of naturalism, which underlie his monumental 20-novel series Les Rougon-Macquart, and for his intervention in the Dreyfus Affair through his famous open letter, "J'accuse."
