"The legends are right there in the subtitle: Dean Smith, Mike Krzyzewski, Jim Valvano, and an Epic College Basketball Rivalry. The unbilled fourth legend is the author. His longstanding relationships with the principals give the book its insider appeal; his history with each man goes back decades, and the intersecting, layered looks at each are built on firsthand knowledge...Funny and smart."

The riveting inside story of college basketball's fiercest rivalry among three coaching legends—University of North Carolina's Dean Smith, Duke's Mike Krzyzewski, and North Carolina State's Jim Valvano—by the king of college basketball writers, #1 New York Times bestseller John Feinstein On March 18, 1980, the immensely powerful Duke basketball program announced the hiring of its new coach—the man who would resurrect the team, restore glory to Duke, and defeat the legendary Dean Smith, who coached down the road at UNC Chapel Hill and had turned UNC into a powerhouse. Duke's new man was Mike Krzyzewski. The only problem was, no one knew who Krzyzewski was, he had a so-so record in his short time as head coach of Army, and worst of all, no one could even pronounce his name. The announcement caused head scratches . . . if not immediate calls for his head . . . and on this note his career at Duke began. The table was set nine days later, when on March 27, 1980, Jim Valvano was hired by North Carolina State to be their new head coach. The hiring didn't raise as many eyebrows, but with the exuberant Valvano on board, two new coaches were now in place to challenge Dean Smith—and the most sensational competitive decade in history was about to unfold. In the skillful hands of John Feinstein, this extraordinary rivalry—and the men behind it—come to life in a unique, intimate way. The Legends Club is a sports book that captures an era in American sport and culture, documenting the inside view of a decade of absolutely incredible competition. Tiger Woods has called the U.S. Open "the most difficult national championship." With Open, John Feinstein goes behind the scenes to tell for the first time the full story of how the 2002 U.S. Open Championship came into being—how a public course was transformed into one of the most difficult and surprising in the tournament's history, and how the greatest golfers in the world rose to its almost insurmountable challenges. The Black course at the public golf club in Bethpage, New York, has long had a mythic status among golfers. Designed by legendary course architect A. W. Tillinghast in 1936, it is known as a work of genius—with long fairways, gorgeous vistas, and roughs and bunkers that stymie all but the very best golfers. It is a course where any player can compete, but its cult reputation means that golfers often have to camp overnight in the parking lot to get a tee time the next day. The 2002 U.S. Open at Bethpage Black was the first time in history that golf's greatest championship had been held at a true public course. Open is the full drama of that championship, from the moment that officials first considered holding it there until the last putt rolled in at dusk on Sunday. Along the way, John Feinstein reveals the full glory of golf as it's never been explored before. He digs deep to find out what it really takes to make golf's most famous event worthy of the champions who compete in it. He tells the remarkable story of the artisans who transformed the Black from a downtrodden and rough-around-the-edges public course to one that top pros hailed as "unbelievable" and "the toughest par-70 I've ever played in my life." He also tracks the drama of the masters who battled for supremacy at the Black-Tiger Woods, Sergio Garcia, Nick Faldo, Phil Mickelson, Jeff Maggert—to show how true champions respond to the toughest conditions. Open is the story of people who devote their entire lives to golf, both behind the scenes and inside the ropes. Their struggles and exhilarations as they master the monster known as Bethpage Black make for a story every golf lover will want to read again and again.
