Yes, Minister (1980-1988) is a British Sitcom about Jim Hacker (Paul Eddington), an inexperienced cabinet minister (party never specified), and his permanent secretary, Sir Humphrey Appleby (Nigel Hawthorne), who really runs the department.

~~Yes, Minister (Series) - TV Tropes~~

Directed by Sydney Lotterby. With Paul Eddington, Nigel Hawthorne, Derek Fowlds, Richard Vernon. The Minister goes on the BBC to extol the virtues of a public-private partnership project but when he learns that the private firm involved may soon go bankrupt, it is up to Sir Humphrey to see exactly what can be done to salvage the situation. He approaches a banker, Sir Desmond Glazer, who also ...

~~"Yes Minister" Jobs for the Boys (TV Episode 1980) - IMDb~~

Margaret Thatcher wrote her own "Yes, Prime Minister" script Antony Jay, a former TV current affairs producer, also had good contacts of his own, having written speeches for leading Conservative...

'We have had diaries from other Cabinet Ministers, but none I think which have been quite so illuminating... It is a fascinating diary... It is shorter than Barbara Castle's... and although it is rather more accurate than Dick Crossman's, it is distinctly funnier' - Lord Allen of Abbeydale (formerly Permanent Secretary at the Home Office) in The Times 'It has an entertainment and educational value which is unique. It is uproariously funny and passes the acid test of becoming more amusing at every subsequent reading... I will go so far as to claim that in the characters of Jim Hacker and Sir Humphrey Appleby, Messrs Lynn and Jay have created something as immortal as P.G. Wodehouse's Bertie Wooster and Jeeves' - Brian Walden in The Standard

In 1983 the BBC TV series "Yes, Minister" won the British Academy award for the Best Comedy Series for a third consecutive year. In those three years the series had progressed from an innovation to an institution, revealing a great deal of accurate observation and pertinent revelation about the British system of government. This book reinterprets the scripts from the TV series as a political diary purportedly written by "the Right Hon. James Hacker, MP".

As Prime Minister, Jim's finger is now on the nuclear button. Confused under some tough questioning, he comes up with a surprising Grand Design for defense.--Kanopy.

'Scalpel-sharp in observation, deceptively simple in construction... at its frequent best Yes Prime Minister exhibits the classical perfection of a Mozart sonata' - Richard Last in The Times 'Its closely observed portrayal of what goes on in the corridors of power has given me hours of pure joy' - Rt Hon. Margaret Thatcher MP 'Yes Prime Minister... is not only a continuing marvel of editing by Jonathan Lynn and Antony Jay but also a collector's must' - John Coldstream in the Daily Telegraph 'Yes Prime Minister is a comedy in a class of its own' - Celia Brayfield in The Times

The behind-the-scenes story of one of the most successful and admired sitcoms of the 1980s In 1977 the BBC commissioned a new satirical sitcom set in Whitehall. Production of its first series was stalled, however, by the death throes of Jim Callaghan's Labour government and the 'Winter of Discontent'; Auntie being unwilling to broadcast such an overtly political comedy until after the general election of 1979. That Yes Minister should have been delayed by the very events that helped bring Margaret Thatcher to power is, perhaps, fitting. Over three series from 1980 - and two more as Yes, Prime Minister until 1988 - the show mercilessly lampooned the vanity, self-interest and incompetence of our so-called public servants, making its hapless minister Jim Hacker and his scheming Permanent Secretary Sir

Humphrey two of the most memorable characters British comedy has ever produced. The new prime minister professed it her favourite television programme - a 'textbook' on the State in inaction - and millions of British viewers agreed. In the years since Yes Minister has become a national treasure: Sir Humphrey's slippery circumlocutions have entered the lexicon, regularly quoted by political commentators, and the series' cynical vision of government seems as credible now as it did thirty years ago. Much of this success can be credited to its writers, Antony Jay and Jonathan Lynn, who drew on their contacts in Westminster to rework genuine political folly as situation comedy. Storylines that seemed absurd to the public were often rooted in actual events - so much so that they occasionally attracted the scrutiny of Whitehall mandarins. In *A Very Courageous Decision* acclaimed entertainment historian Graham McCann goes in search of the real political fiascos that inspired Yes Minister. Drawing on fresh interviews with cast, crew, politicians and admirers, he reveals how a subversive satire captured the mood of its time to become one of the most cherished sitcoms of Thatcher's Britain.

It is no secret that some people are feeling alienated from the church, for various reasons; social status, sexual orientation, or how they dress, among others. For these reasons, as well as others, some have felt compelled to leave the church. The purpose of this book is to minister to those very people; to show them that although the church is not perfect, Jesus Christ is real and alive and will never mistreat them or abuse them; that in His heart there is a place for them too. Perhaps the most important part of ministering to those feeling like there is no spiritual home for them in the church, is to demonstrate that, while the church struggles to exemplify the love of Christ, Christ Himself is still real and is still alive and loves each and every one with a deep and abiding love. It is my hope that those who either read these scripts or see them performed will come to realize that Christ is calling us all and we have only to say Yes!

'The Yes Minister Miscellany' is a treasure trove of quotes, anecdotes & stories from one of Britain's best loved TV comedies. Tracing the careers of Jim Hacker, Sir Humphrey Appleby & his loyal sidekick Bernard, this amusing, illustrated book will appeal to everyone who remembers the series with affection.

"Suspenseful, riveting . . . Achieves a universality that is movingly personal." --The New York Times
The explosively provocative, award-winning drama set in a country that has just emerged from a totalitarian dictatorship Gerardo Escobar has just been chosen to head the commission that will investigate the crimes of the old regime when his car breaks down and he is picked up by the humane doctor Roberto Miranda. But in the voice of this good Samaritan, Gerardo's wife, Paulina Salas, thinks she recognizes another man--the one who raped and tortured her as she lay blindfolded in a military detention center years before. Relentlessly paced and filled with lethal surprises, *Death and the Maiden* is an inquest into the darker side of humanity--one in which everyone is implicated and justice itself comes to seem like a fragile, perhaps ambiguous invention.

'The Thick of It' is a satire on the inner workings of modern politics. This is a collection of scripts and extras for fans of this award-winning show. *The Thick of It* is one of the funniest and most biting TV comedies around today - a modern-day Yes, Minister for New Labour. A satire on the inner workings of modern politics, it's brim-full of spin-doctoring, back-stabbing, and policy-making on the hoof. And, according to insiders, it's frighteningly close to the truth. This exclusive collection of razor-sharp scripts and extras is a treat for fans of this award-winning show.
